**ART**  
La Grange Art League

Hello,

You are being contacted today because we would like to share fabulous news with your fine arts department.

The La Grange Art League is excited to give back to the community by sponsoring disadvantaged children and teens with free art classes and art camps with all supplies included. It has been well documented that art plays a vital role in the complete development of children. Our goal is to keep art alive for all kids.

We would like your help finding exemplary students who display an interest and talent in art but don't have the funding for classes or camps. Through generous donations we will sponsor kids in the community to take various art classes and participate in art camps.

Please fill out the enclosed form to nominate a student/s from your school. We will strive to accept as many students as our funding will allow.

The La Grange Art League will review your application at the monthly board meetings on the second Wednesday of each month. You will be contacted regarding acceptance. If you have any questions, please contact Kathi Parisi at the La Grange Art League.

Sincerely,

Kathi Parisi
